COMMISSION OF THE EUROPEAN COMMUNITIES

Brussels, 23.11.2009
COM(2009) 652 final

Proposal for a

COUNCIL REGULATION

imposing certain specific restrictive measures in respect of Guinea

EXPLANATORY MEMORANDUM

- (1) On 27 October 2009 the Council adopted Common Position 2009/788/CFSP in response to the violent crackdown by security forces on political demonstrators in Conakry on 28 September 2009, the reported human rights abuses following the crackdown and the violent repression and political stalemate in the country. The Common Position imposed an embargo on the export of arms to Guinea, and imposed a travel ban on 42 individuals named in the Annex to the Common Position, being members of the ruling NCDD and persons closely associated with them.
- (2) Council is preparing a subsequent CFSP Common Position calling for additional restrictive measures including (i) the freezing of funds and economic resources of the individuals and entities listed in the Annex to the Common Position; and (ii) a prohibition on the provision of technical and financial assistance and other services related to military activities to any person in Guinea.
- (3) These measures fall within the scope of the Treaty establishing the European Community. The Commission therefore proposes, in anticipation, a Regulation implementing these restrictive measures.
- (4) The restrictive measures adopted under this Regulation shall be implemented in full respect of fundamental rights, in particular in light of recent case law of the European Court of Justice.
- (5) Several provisions of the proposed Regulation are taken from the Guidelines on Implementation and Evaluation of Restrictive Measures (Sanctions) in the Framework of the EU Common Foreign and Security Policy¹.
- (6) The EU Best Practices for the Effective Implementation of Restrictive Measures² provide additional guidance for the application of the proposed measures.

Proposal for a

COUNCIL REGULATION

Having regard to Council Common Position 2009/...../CFSP of [.....] concerning restrictive measures against Guinea,

Having regard to the proposal from the Commission,

After consulting the European Data Protection Supervisor,

Whereas:

- (1) Common Position 2009/.... /CFSP provides for certain restrictive measures concerning members of the National Council for Democracy and Development (NCDD) and individuals associated with them, responsible for the violent repression of 28 September 2009 or the political stalemate in the country
- (2) These measures include the freezing of funds and economic resources of the natural or legal persons, entities and bodies listed in the Annex to the Common Position as well as a prohibition on the provision of technical and financial assistance and other services related to military activities to any person in Guinea or for use in Guinea.
- (3) These measures fall within the scope of the Treaty establishing the European Community and, therefore, notably with a view to ensuring their uniform application by economic operators in all Member States, Community legislation is necessary in order to implement them as far as the Community is concerned.
- (4) This Regulation respects the fundamental rights and observes the principles recognised in particular by the Charter of Fundamental Rights of the European Union and notably the right to an effective remedy and to a fair trial, the right to property and the right to protection of personal data. This Regulation should be applied in accordance with those rights and principles.
- (5) For the implementation of this Regulation some personal data concerning natural and legal persons, entities and bodies whose funds and economic resources must be frozen in accordance with this Regulation must be made public and treated in an appropriate manner under Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free

movement of such data³ and Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data⁴.

- (6) Provision should be made for the handling of classified information at the Commission.

2. Article 3(2) shall not prevent financial or credit institutions in the Community from crediting frozen accounts where they receive funds transferred to the account of a listed natural or legal person, entity or body, provided that any additions to such accounts will also be frozen. The financial or credit institution shall inform the relevant competent authority about any such transaction without delay.
